12/20 Midnight

Let me know as the earliest moment how much you want from me, and how much I owe.

Dear Jim

I have but a few minuts time to say that the Bills were a time, that we are delighted in having them as a gift that we have some chance to send you which will go Monday the 22nd on Tuesday. & further that on Jan 1st we have taken over $890!! This is far better than we had any hope for. Very good considering we are a minority in the Doc & that the Liberty Join have not taken 1/2 as much Deposit.

Great heart

Ellis

We must can't let on $100 go to the Texas Con. or 100 cts. I guess we must do something else
